GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

Notice dated 1925.

Notice is hereby given that sealed tenders will be received at the Office of the Chief Electrical Engineer to the Government of Mysore, Bangalore, up to 15th September 1925, for raising the Power Channel Banks at Sivasamudram. The tenders will be opened in public at 2 P.M., on the 18th September 1925. The work should be completed within three months from the date of acceptance of the tender.

2. The plans, detailed estimate and conditions may be obtained at the Chief Electrical Engineer's Office, Bangalore, between the hours of 11 A.M. and 5 P.M., on all working days or at the Office of the General Superintendent, Generating Station, Sivasamudram, between 8 A.M., and 4 P.M., on all working days.

3. Tenders will be submitted on printed forms, which may be obtained from the Office of the Chief Electrical Engineer or the General Superintendent, Sivasamudram. The tenders should be accompained by a statement in the form given below showing the rates, in figures and words, at which the different items specified will be executed.

4. Each tender must be accompained by a deposit of Rs. 500 in cash or Government Promissory Notes as earnest money and be superscribed "Tender for Raising the Power Channel Banks at Sivasamudram", in default of which tenders will be rejected.

5. The Chief Electrical Engineer reserves the right to accept or reject any tender, or any portion thereof, without assigning any reasons whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender the successful tenderer will be required to execute the usual contract bond in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful tenderer will be posted on the notice board in the Chief Electrical Engineer's Office. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money of rejected tenders will be returned.

9. The construction work should be started within 15 days from the date of notification of the acceptance and completed within three months from the same.

10. Any other conditions that the contractor may wish to state should also be included in his tender.

11. Specification for work is the same as those contained in the P. W Gen. No. 14 and P. W. D. Tank Manual latest edition.

12. The quantities given below are approximate.
